Dear Mr. Weisberg:

Mr. Sions is in Boston this week at a series of meetings, and at his request I am returning THE REPORT ON THE WARREN REPORT. After discussing your manuscript with several other editors as well as members of our legal department, the consensus, according to Mr. Sions, is that this is simply not the kind of project we would like to publish.

Thank you for your time and interest, and we wish you luck in placing your book elsewhere.

Sincerely,

Judy Mallecker
Secretary to Mr. Sions
